## EXPERIENCE

Hackathon Participant – TechXpression 2025  
B.K. Birla College, Kalyan | Jan 31 – Feb 1, 2025

- Built a **Sentiment Analysis** web application during a 2-day intercollegiate hackathon.
- Designed system architecture, developed backend logic, and created a responsive UI/UX.
- Presented the project to a panel of judges, demonstrating real-time analysis and user-friendly features.
- Gained hands-on experience in collaborative development, time-bound problem-solving, and technical presentation.

Cloud Computing Intern December 2024 iFuture Technologies Pvt Ltd – Thane, India

Gained hands-on experience in cloud computing fundamentals, including:

- Cloud service models: **IaaS (Infrastructure as a Service)**, **PaaS (Platform as a Service)**, and **SaaS (Software as a Service)**
- Practical exposure to leading cloud platforms: **AWS (Amazon Web Services)**, **Microsoft Azure**
